MEMORANDUM FOR: Inspector General

SUBJECT : Proposed Revision of Regulation No. [REDACTED] Travel 25X1A  
Regulations, Baggage

REFERENCE : Memo dtd 16 Oct 57 to AC/RCS fr IG, subject:  
"Proposed Revision of Regulation No. [REDACTED] 25X1A  
Travel Regulations, Baggage"

1. I have authenticated subject revision to Regulation No. [REDACTED] for publication because there is no alternative but to amend our Travel Regulations to comply with Comptroller General decisions and the SOIR. I cannot accept as valid a nonconcurrence which is not based on the substantive content of the Regulation.

2. I agree that the Deputy Director (Plans) should take immediate steps to rescind or amend [REDACTED] or any other [REDACTED] in conflict with Agency Regulations, and I have requested that he do so (see attached memorandum). However, since the issuance and control of Clandestine Services publications rests solely with the Deputy Director (Plans) and they are not coordinated with my Office, I obviously cannot be held accountable for their accuracy. My responsibility is to develop accurate administrative policies and procedures promptly in Agency Regulations which must necessarily govern every component notwithstanding any inaccuracies in intra-office issuances.
